EMAIL : lisong@liu-shen.com

PERSONAL SUMMARY :

Ms. Song joined Liu, Shen & Associates in 1996 and became a qualified patent attorney in 1998. She specializes in patent prosecution, invalidation, counseling, and patent litigation with an emphasis on polymer, catalyst, petrochemicals, health care, environmental sciences, battery, semi-conductive material, chemical engineering and pharmaceuticals.

Ms. Song got her qualification as an attorney at law in 2000. Starting from joining Liu Shen, Ms. Song helps clients of all sizes to establish and grow patent portfolios, align intellectual property strategies, establish their freedom to operate, and resolve infringement disputes. Ms. Song has extensive experience in patent invalidity proceedings and patent infringement lawsuits especially in chemical fields and has represented numerous corporations in intellectual property disputes including patent invalidation and infringement litigation in China.

Ms. Song received a Bachelor's degree and a Master's degree in Polymer Science from Sichuan University in 1986 and 1989. She then studied in China University of Politics and the John Marshall Law School from 2002 to 2004, and obtained a Master's Degree of Law in 2004. Before joining Liu Shen, Ms. Song worked as an engineer in the Beijing Leather Industry Research Institution.
