TEL : 86-10-6268 1616

FAX : 86-10-6268 1818

EMAIL : jfzhang@liu-shen.com

PERSONAL SUMMARY :

Mr. Zhang joined Liu, Shen & Associates in 2011. Mr. Zhang obtained the qualification as a patent attorney in 2012 and obtained the qualification as an attorney at law in 2015.

Mr. Zhang's current practice mainly focuses on patent enforcement including patent litigation and administration proceedings, patent prosecution and invalidation in the technical fields of automobile manufacturing, E-Vehicles, machinery manufacturing, Mechanical and electrical engineering, wind turbine as well as medical apparatus. Mr. Zhang's services also include providing legal advice.

Mr. Zhang had a master's degree from Technical University of Clausthal (Germany) in 2010. Before joining this firm, Mr. Zhang worked as a CAE engineer in Sany Electric for one year. In Sany Electric he worked in wind power generation, mainly including calculation of structure strength for a wind turbine by using FEM software, writing certification report and charging a computer center, which is used for parallel computing.

HIGHLIGHTS :

REPRESENTATIVE CASES

1. Gree v. AUX representing defendant AUX to attend patent infringement litigation case before Guangzhou IP Court and challenging the validity of patent involved at the same time before the Patent Reexamination Board. The patent involved was declared invalid for all claims. The plaintiff Gree did not file an administr

ative lawsuit and withdrew the lawsuit in the Guangzhou IP Court, what led us to win the case in a very short time.(2017.10-2018.4)

- We represent the defendant AUX.
- Patent: Utility model patent for air-conditioning deflector connection device.
- Jurisdiction: Guangzhou IP Court.
- Result: Win.
- The others: Successfully retrieving the evidence of common sense in the invalidation procedure.

2. Guangzhou Biaoqi v. Nanjing Baoguang representing defendant AUX to attend patent infringement litigation cases before Guangzhou IP Court and challenging the validity of two patents involved at the same time before the Patent Reexamination Board. As a result, in one infringement case the prosecution was withdrawn due to the invalidation of the patent, in the other infringement case successful non-infringement defense was made based on detailed and reasonable arguments during court hearing. (2017.12-2018.11)

- We represent the defendant Nanjing Baoguang Company.
- Patent: Two patents involving jewelry identification instruments.
- Jurisdiction: Guangzhou IP Court.
- Result: Win.
- The others: Successfully convincing the judge to reject the plaintiff's lawyer's request for judicial appraisal by explaining to the judge the difference between the defendant's product and the patent involved.
