

WANG, Dandan

Patent Attorney

TECHNICAL FIELD :

Material Science , Chemical Engineering

TEL : 86-10-6268 1616

FAX : 86-10-6268 1818

EMAIL : ddwangb@liu-shen.com

PERSONAL SUMMARY :

Dandan Wang joined Liu, Shen & Associates in July 2013 as a patent engineer, and she passed the patent attorney qualification examination in 2015. From joining Liu Shen, she has been dealing with patent prosecution such as drafting new applications, responding to office actions and reexaminations in the areas of chemical technology, material and electrochemistry, water treatment, superconducting and magnetic materials, and biochemistry.

Dandan Wang got her Bachelor's Degree and her Master's Degree in Chemistry from University Leipzig (German) in 2007 and in 2012 respectively. From November 2011 to December 2012, she was a research assistant in Helmholtz Centre for Environmental Research Leipzig. From January to May in 2013, she was a research associate in University Leipzig, Department of Super Conductivity and Magnetism.
