PERSONAL SUMMARY :

Dr. Liu is a senior patent attorney in the Chemical Department of Liu Shen & Associates. He specializes in patent prosecution, patent re-examination, patent invalidation, patent-related administrative litigation and infringement lawsuits, especially in the field of Chemistry, Biology, Pharmacy, Pesticide, Cosmetic, Food, Material Science, Chemical engineering and Medical device.

Dr. Liu started his IP career with Liu Shen & Associates in 2007 and qualified as a patent attorney in 2009. He has participated in several big international companies in renowned invalidation cases and lawsuits. He also does significant work in preparation of patent infringement, validity, and freedom-to-operate opinions.

Dr. Liu holds a B.S. in Chemistry and Ph.D. in Organic Chemistry, both from Fudan University (China). Moreover, he obtained his Master of Laws in Intellectual Property Law from John Marshall Law School (the U.S., 2016).
