履歴：

Fangfang YI joined Liu&Shen Associates as a Patent attorney in 2014.

Before joining Liu&Shen Associates, Ms. YI worked in the Patent Examination Cooperation Center of the Patent Office, SIPO as a substantive Patent examiner from 2009 to 2014. During this period, she has finished about five hundreds cases' examination in the field of biopharmacology, bioengineering and biochemistry. She has a solid understanding of Patent law and real practice in China.

Ms. YI got her qualification as a Patent attorney in 2012. She works in the firm's Chemistry Dept. She is skillful in drafting patent application documents in such fields as biochemistry, microbiology, molecular biology, immunology, biopharmaceuticals, and experienced in preparing responses to office actions in the substantive examination proceedings, handling patent reexamination cases, and dealing with FTO patent search and analysis in the above fields.

Ms. YI received her B.S in Biomedical Engineer from Wuhan University in 2006, and her Ph.D. in Clinical Medicine from Capital Medical University in 2009. Her working languages are English and Chinese.
